BUDGET FOR 1956-57—DEMAND FOR GRANTS.

Mr. SPEAKER.—Now demands; we have got three demands for to-day—demand, No. 29, No, 41-A and 45. Demand, No 29, 41 A can be taken up and discussed together and for these two Demands, discussion can go on till 4 O'clock and one hour will be spared for the other Demand.

Sri A. BHEEMAPPA NAIK (Molakalmuru).—Would it not be better that each Demand is given specifically some time. Otherwise, what happens is, so many Demands will be lost sight of and on one Demand we may go on talking. I would suggest that for each Demand some time may be allotted and each Demand discussed threadbare.

Sri V. M. MASCARENHAS (St. John's Hill).— The first two can be clubbed together.

Sri G. DUGGAPPA (Holalkere—Scheduled Castes).—Before the Demands are taken up, I have got a representation to make. For this session, I have sent one interpellation about the Mysore Kirloskar, Ltd., Harihar, about the site plan that the Government santioned for them, the share capital, the Government representation there, the Mysore people working in that factory, all these things. Up till now the interpellation has not seen the light of the day and I am afraid Government will not even take interest in collecting the required information from that factory. I understand the Factory people are not willing to supply the answers required. I seek the protection of the Chair to direct the Government to inquire and ascertain why the matter was delayed, why the Factory people are hesitating and not willing to supply the answers required for the questions asked and who is the person responsible. And if there is any officer responsible for the delay in getting these answers. I would request the Chair to direct the Government suitably.

Mr. SPEAKER.—Not only for this question, we have not received replies for a large number of questions. We have reminded the Government to get the replies early.

Sri G. DUGGAPPA.—Even for the questions tabled by me during the last session, I have not received answers. That is why I am making a special representation.
